

## Grease Degradator

**Ensure clean, odourless, free-flowing drain systems and grease traps with BioHygiene Grease Degradator. The powerful biotech formula breaks down fats, oils, grease and other organic matter for deep, long-lasting action and superior odour control.**

### Cleaner

- Specially tailored bacterial formula to break down fats and grease with ease.
- The microbial breakdown is a complete process and does not allow FOGs to reform downstream.

### Leaner

- Reduces cleaning frequency with residual grease degrading action

### Greener

- Reduced carbon footprint
- Naturally derived ingredients
- Not tested on animals
- 100% PCR – no single use plastic
- 100% Biodegradable

## Grease Degrader

### Use Instructions

The pump ensures that the product is dosed in the correct quantities at specific times during the day. The unit is self-contained and does not need any operation/support by local staff.

### Product Compatibility

Do not use with disinfectants or other biocides.

### Safety & Storage

Wash hands thoroughly after handling

Store containers in a cool dry place prior to use.

### Available Pack Sizes

5L

BH174  
(2 x 5L)

### The UK's leading manufacturer of Biotech cleaning products

- The UK's leading manufacturer of Biotech cleaning products
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation and manufacturing by-products reducing CO2e and environmental toxicity
- 100% UK Manufacture and supply chain
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution
- Our cardboard is made from 100% recycled material, is fully recycled and FSC certified (Forests for All Forever)
- ISO 9001:2015 & ISO14001:2015
- Zero waste to landfill
- Accredited to Carbon PAS2060, we offset our carbon with UK tree planting and VCS projects within the Amazon
- 100% Readily Biodegradable
- All manufacturing wastewater is treated
- Our technology has minimal aquatic toxicity
- Never tested on Animals
