- Reduces transport and storage needs
- Suitable for cleaning cloths and mop heads
- Low cost in use
- Unfragranced

Greener

- Reduced carbon footprint
- Naturally derived ingredients and fermentation products
- Not tested on animals
- Paper Sachets - > 99% plastic savings
- 100% Biodegradable

CO₂e Assessed

Cleaner & Degreaser soluble paper sachets

Use Instructions

One Sachet per 750ml trigger bottle.
Two sachets per 5L mop bucket

For Trigger bottle use:

- With dry hands, place 1 water-soluble sachet in a clean BioHygiene screen-printed bottle.
- Add 750ml water.
- Replace trigger head.

- Shake the bottle and allow time for the contents to dissolve before use.

For mop bucket use:

- With dry hands, place 1 water-soluble sachet in a 5L mop bucket.
- Add 5L water.
- Allow time for the contents to dissolve and mix before use.

Safety & Storage

Full guidance on the handling and disposing of this product is provided in a separate Safety Data Sheet (SDS). The product is non-flammable, so no requirement for secure, ventilated storage. Store at room temperature.

Causes serious eye irritation. IF IN EYES; Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. If eye irritation persists, get medical advice.

Store in a cool dry place.
