

Eco Laundry Detergent (Bio)

A super concentrated phosphate-free laundry detergent formulated with environmentally favourable ingredients, enzymes and naturally derived water softeners and surfactants from plant based sustainable resources.

Cleaner

- A medley of enzymes effectively covers all stain types, enhances colours, reduces pilling and leaves cotton surfaces looking smooth and like new.
- Effective on all organic stains and general soiling.
- Suspends soil to prevent re-deposition and prevents greying
- Strong fragrance leaves fabrics smelling fresh and clean for longer

Leaner

- Efficiency at lower wash temperatures provides significant energy and cost savings
- Exceptional cleaning under mild, low temperature conditions reduces the need to rewash
- Suitable for all fabric types including wool, nylon and delicates
- Fabric life is extended due to gentle nature of the product and wash conditions

Greener

- Reduced carbon footprint
- Naturally derived alternative to phosphate
- Not tested on animals
- 100% PCR – no single use plastic
- 100% Biodegradable

Eco Laundry Detergent (Bio)

Use Instructions

Manually dose 8 -30 ml per kg of washing load depending on soiling or dose via BioHygiene dosing pumps. Suitable for low machine temperatures of 30-40°C. Ideal for hand washing.

Product Compatibility

Compatible with our Eco Laundry Destainer and Eco Laundry Softener.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.

Available Pack Size

10L
