

Eco Washing Up Liquid

BioHygiene Eco-Washing Up liquid utilises safe, eco-friendly, naturally derived surfactants that quickly and easily remove grease, oils and foodresidue from dishes and eating utensils, leaving them clean and streak free.

Cleaner

- Leaves crockery and utensils sparkling clean
- Preventing redistribution of grease onto crockery, utensils and glassware
- Gentle on hands, tough on grease
- No residue of unnecessary chemicals left on your dishes
- Effective in hard and soft water
- Safe in septic tanks

Leaner

- High concentration lasts longer
- Non tainting
- Long lasting foam

Greener

- Reduced carbon footprint
- Contains plant derived sustainable surfactants
- No environmental classification
- Phosphate and phosphonate free
- No petrochemical based ingredients

FSC FORESTS FOR ALL FOREVER

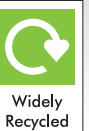

CO₂e Assessed
