

Exterior Vehicle Wash

Exterior Vehicle Wash utilises an eco friendly solvent, water softener, naturally derived surfactant and shine additive for the quick and complete removal of traffic film, oil, dirt, carbon, brake dust, metal deposits and greasy residues from the exterior of all vehicles

Cleaner

- Removes oil, greases, dirt and grime
- Effectively enhances shine on both dulling and new paint
- Effective in soft and hard water areas

Leaner

- Quick & easy rinsing
- Up to 1:20 dilution
- Available in 5L & 20L
- Low VOC content

Greener

- Reduced carbon footprint
- 100% PCR – no single use plastic
- Not tested on animals
- 100% Biodegradable
- Renewable and sustainable technology

Exterior Vehicle Wash

Use Instructions

Apply diluted product using a soft brush or mop. Cover surface to be cleaned while providing agitation. Leave for at least 5 minutes, then wash off thoroughly with a clean mop or soft brush and clean water.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.
