

Floor Maintainer

A synergistic mix of natural surfactants plus wax emulsions that clean, repair and restore shine to floors. The no-rinse formula is suitable for scrubbing machines, mops or a spray and cloth for easy everyday floor cleaning. Use alongside BioHygiene Floor Polish Stripper and BioHygiene Floor Polish for best results.

Cleaner

- Restores shine whilst offering continued protection against wear.
- Triple action: cleans, protects and brings out shine.
- Fresh 'just cleaned' scent.
- Slip-resistant, high-gloss finish.
- Excellent resistance to scuffs, marks, dirt and dulling.

Leaner

- Can be used with scrubbing machines, mops or cloths.
- Suitable for hard floors, including those treated with permanent and semi-permanent floor seals.
- Versatile, buildable formula.

Greener

- Naturally derived, sustainable ingredients.
- PCR packaging
- Reduced carbon footprint

Floor Maintainer

Use Instructions

Spray cleaning instructions

Dilute 16ml into a 750ml trigger bottle of warm water. For small areas, spray floor lightly and buff to a shine.

Mopping instructions

Dilute 100ml per 5 litres of warm water. Mop floor and burnish to a shine once dry. Excellent results with high or ultra-high speed machines.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.
