

Urinal & Toilet Cleaner

Urinal & Toilet Cleaner utilises specific microbes and eco surfactants for cleaning and deodorising urinals and toilets.

Cleaner

- Microbial and enzymatic technology quickly targets body fats, scale and odours for a long-lasting clean.
- Triple action: cleans / deodorises / reduces scale build up
- Product specific microbes establish effective self-renewing biofilms deep inside inaccessible plumbing lines
- The product microbes break down organic matter including ammonia, volatile fatty acids, proteins and uric acid, long after product application
- Cleans pipes and drain lines

Leaner

- Residual protection helps prevent build-up and reduces cleaning time.
- Long lasting foam in the toilet bowl

Greener

- Naturally derived ingredients
- Sustainable ingredients
- Reduces CO2e by up to 85%
- Reusable PCR packaging helps reduce single-use plastic waste.
